## No Pens Day!

The "No Pens Day!" at the Royal School was an incredibly exciting event! To build excitement beforehand, a representative from each class was handpicked to compose an exhilarating rap that would ignite the enthusiasm of their classes mates.

## No Pens Day!

Year 5 pupils had a blast revising grammar and math during "No Pens Day" through interactive iPad games and competitions. Grammar games challenged their knowledge of parts of speech and grammar rules while math games covered various topics like arithmetic and problem-solving. The friendly competitions added excitement, motivating students to achieve their best. This innovative approach made learning enjoyable, proving that technology can enhance educational experiences.

In mathematics, pupils found great pleasure in employing tangible materials to assess their understanding of calculating time intervals through an outdoor collaborative game.
