### The Royal School Cancer Awareness Campaign 2024

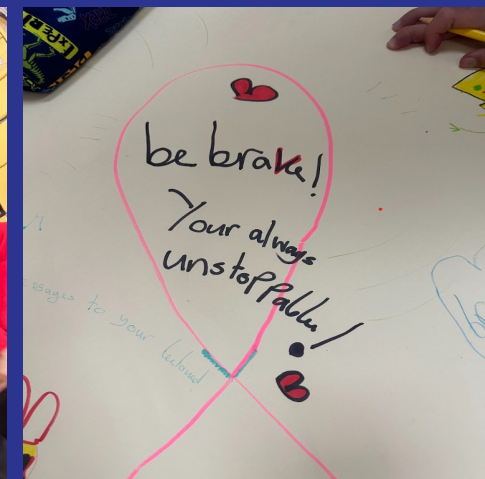

Join us in celebrating **Cancer Awareness Week** at our school!

Our compassionate pupils have actively participated in meaningful activities to support this cause.

In **Year 3**, our pupils made a positive impact by designing captivating and inspiring artwork to raise awareness about cancer. Our creative efforts took the form of enticing motivational posters that were aimed at spreading the message about this important cause.

By combining colour schemes, powerful imagery, and thought-provoking quotes, we created eye-catching visuals that encouraged people to stand together in the fight against cancer.

### The Royal School Cancer Awareness Campaign 2024

In Year 4, our pupils crafted a beautiful memorial ribbon adorned with heartfelt messages for cancer patients, fostering a sense of empathy and solidarity.

The vibrant sea of colours on campus reflected the diversity of cancers, from pink for breast cancer to black for skin cancer, uniting us in a visual display of support.

## More About Cancer Awareness in LKS2!

Our budding philanthropists organised a delectable **bake sale**, featuring homemade treats, with all proceeds generously contributing to the Children's Cancer Hospital 57357. It's a week filled with compassion, awareness, and a shared commitment to making a positive impact on the lives of those affected by cancer.

## Charity Fun Run!

Concluding our **Cancer Awareness Week**, our pupils and families actively participated in our extraordinary Fun Run campaign to raise funds for the 57357 children's cancer hospital!

We express sincere gratitude to all the parents who generously contributed to this worthwhile charitable endeavor. It is truly heartwarming to witness such incredible support for such a noble cause.
